Report of Principal and School Improvement Council

Chicora is a Communications Magnet School, the only one of its kind in the district. "Excellence is our Standard" is our motto and our theme and our focus is communications in all types of media. In 2012, Chicora was recognized by the State Department as a Palmetto Silver Medallion winner for substantial improvements over the last three years. Chicora was also recognized by the State Department as a Red Carpet School in 2010. An energetic, highly-qualified, and enthusiastic faculty and staff are two keys to success at the Chicora School of Communications. Important parts of our plan for continuous improvement are relevant monthly staff development sessions that address the specific needs of our students and staff as well as reduced class sizes that allow teachers to provide additional student-centered instruction. We evaluate our programs' strengths and weaknesses based on MAP scores, PASS results, surveys, and other data.

One of our great partnerships is with WINGS, our quality after-school program. We are also a Charleston Promise Neighborhood school. This partnership has provided our students and families with additional resources including a college culture and a medical clinic one day per week. Additionally, we are a Trident United Way Links to Success School. This provides our students and families with partnerships such as; Communities in Schools, Reading Partners/Book Buddies, and a Family Navigator. A state-of-the-art computer lab with a certified teacher has been an asset for the school and community. We utilize technology to enrich and increase student achievement in all academic areas. The second through fifth grade teachers are excited that the students continue to progress with Study Island, a computer-based academic program. We also have the Literacy Pathways for students in kindergarten to third grade. This program addresses students with weak literacy skills. The principal continues to have an open-door policy to help ensure a school climate that is friendly and inviting. Chicora has a talented and dedicated faculty and staff who work hard each day to provide meaningful experiences and lessons for the students. The students' potential is great, and we strive daily to unlock that potential and help all of our children become successful. We recognize that students will rise to exemplary performance with high expectations and that is what we demand for and from the students at the Chicora School of Communications.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
